Herbert Decker has just completed a new six-room bungalow, and the Joe Decker home is being remodeled and enlarged are two of the interesting items of news from Vandenburg section. Brucks Bros. were the contractors for both enterprises.

Hondo continues to furnish its full share of tonnage to the Southern Pacific railroad, twenty cars being handled at the local depot the past week, twelve out and eight in as follows: Outbound, 2 cars of hay, 6 of livestock, and 4 of corn; inbound, 2 cars of gasoline, 1 of lumber, 1 of salt, 1 of riraf, 1 of mules, 1 of brick and 1 of flour.

Mrs. L. A. Wiemers returned Saturday from Llano where she had been visiting her nephew, Ben Hoerster, who was severely hurt while alone in his pasture several weeks ago and has been slowly convalescing since. Mr. Hoerster's horse came home riderless and a search for the rider located him in an unconscious condition in the pasture, and it is feared he will be a permanent cripple as a result of his injuries.

HOMELITE

The PORTABLE Electric Light and Power Plant

**The safest
The most reliable
The most economical, and
The most useful general purpose plant made.**

CONSTRUCTION

Is simple, compact and strong, made of few parts of the best material, accurately machined, carefully inspected and tested. No pains or expense are spared to make it a high grade durable product. The engine, generator, carburetor and magneto are all combined in one unit and so shipped. There is no assembling or setting up to be done, except to connect the exhaust pipe.

USES

It is unnecessary to enumerate the many uses to which Homelite can be put. It is covered by the broad statement—anywhere that electricity is wanted, and that means practically everywhere; and with Homelite it is not limited to localities where there are no public service lines. There are uses for it even in large cities. Electric lights have long since ceased to be a luxury. They are a necessity and an economy. Users who have had experience tell us that their Homelite plant costs them less than kerosene lamps did formerly, to say nothing of better light and the advantage of cooking, ironing and washing. Every woman is entitled to the comfort and lessening of work that she will have from a lighting plant. HOMELITE was designed to meet a broader field of requirements than any lighting plant heretofore made. It has been thoroughly tried, tested and has proven our claims for it. It is now in use on boats, in homes, hotels, churches, moving picture theatres and other places, on fishing boats in Japan, and for general uses in Argentine, Europe, Central America, and Mexico.

HOMELITE Electric Light and Power Plant is guaranteed for one year and is sold on a time payment plan of 25 per cent down payment and balance in 6, 8, 10 and 12 equal monthly payments, or 25 per cent down payment and balance in 3, 4, 5, 6, 7, 8, 9 and 10 months.

Don't fail to see the HOMELITE plant and get prices and literature.

Prices of HOMELITE plants as low as \$250.00 to \$360.00 delivered.

otherwise shows approach to normal
physical condition. However, while
apparently recognizing those who

THE RAIN.

A very timely and generous rain,
the precipitation in the town total-
ing 1.70 inches, fell over this sec-
tion Wednesday afternoon and night.
While farms and ranches were not
suffering for moisture, this would
not have been the case had the rain
been much longer delayed. The oat
crop is in the critical stage, and de-
terioration would have been the re-
sult soon had the rain failed us. As
it is, some oats will now be made,
but another rain in twelve or fifteen
days will be necessary for a well
matured crop.

As far as we have been able to
learn the rain was heavier both north
and south than here in the town.
Up at the Frerichs ranches, C. J.
Bless who was up there dipping
cattle, estimates the fall at between
four and five inches, while visitors
from south of town, claim a fall in
excess of three inches. From all
parts of the County come reports
of good rains, and in some instances,
hail. Some farms in the vicinity of
Yancey, are reported to have suffer-
ed severely from hail, but whether
or not the crops were completely
knocked out, we have been unable
to learn. The hail, however, seems
to have covered a very small area.

Streams were flooded and the ques-
tion of stock water will not be of
worry for the stockman for some-
time to come. Pastures, already in
fine condition, will now be reinforced
for the summer, and all together,
for both stockman and farmer, im-
mediate future holds an extremely
rosate view.

THE SCHOOL TRUSTEE
ELECTION.

WITH THE DRILLERS.

The school trustee election last
Saturday developed about the usual
amount of interest. It was a free-
for-all, and each one receiving votes
was hoping some one else would
have the honor of being elected a
member of the board. Fourteen
different names, some already mem-
bers of the board with unexpired
terms, received votes, but the three
trustees whose terms expired, to-
wit: J. R. Chancey, W. G. Muennink
and S. G. Carter were all elected
again as members of the board.

Following is a list of the names,
and the number of votes received
by each.

ANNOUNCING SPECIAL
PREACHING.

Rev. H. C. Morrison, for more
than 30 years a Holiness Evange-
list of the M. E. Church, South,
and editor of "The Pentecostal
Herald", an interdenominational holiness
weekly, and also president of
"Asberry College", an interdenomi-
national holiness school, with near a
thousand students, at Wilmore, Ky.,

But little new has developed
far as we have been able to learn
the past week. The Trinity Drill-
ing Ina No. 3, were down
middle of the week, over 300 feet
everything was fine. The layer
rock struck at sixty feet, and we
has proved so troublesome to a
drillers, proved no obstacle to
Trinity Drillers, and they penetr-
it without difficulty showing that
good equipment this is not a diffi-
culty to drill. We understand
drillers expect to reach the cap-
and set casing by today. A rot-
is being used on the initial stage
the well, but when the cap rock
reached a cable rig will be used
drill the well in. The drillers
timated that they would com-
and turn this well over to its own-
in twenty days, and from the pro-
ress they are making there is
little doubt that they will make the
purpose good. As soon as No.
is completed Inas 4, 5 and 6 will
spudded in as fast as each well
completed, all four will be comple-
and turned over in six months for
the date of the contract.

O'Brien No. 1, on the Nixon ran-
on which drilling was halted at
drilling several feet into the oil sand
and encountering a rock await-
a visit from the promoter, has drill-
through the rock and now has ab-
twenty-six feet of oil sand. The
well showed considerable oil at
first depth, but the drill was sent
down in search of greater pro-
tion. A liner is being set at 2
feet, and baling will soon be re-
ed to test its capacity. The d-
was stopped in the oil sand, a
while we have no information
the subject, we presume the d-
will be sent on down if product
is not satisfactory at the pres-
depth. Those who have visited the
well predict it will be a liberal pro-
ducer.

Rain is again interfering with de-
velopment work, and we have
knowledge of what is doing at the
other wells.

FRITZ W. BOEHLE DEAD.

After much suffering from can-
cer of the stomach, Fritz W. Boehle
died at his home in Quibi Thursday night,
April 10, 1924, aged 58 years. The
funeral was set for 5:00 o'clock
P. M. Friday at the Quibi cemetery.

The deceased was a son of the
late Henry Boehle, was born and re-
sided at Quibi and has resided there
all his life.

We hope to be furnished with
a more complete obituary of the
worthy man and citizen for our next
issue.

Fritz, Jack, John, Oscar and Joe Droitcourt visited their sister, Miss Olga Droitcourt, in Santa Rosa Hospital Sunday. We are glad to report Miss Droitcourt improving after a very serious operation for appendicitis.

Robert Rihn and family were here from Spindle Top Sunday.

Jacob Rihn returned from San Antonio Sunday evening where he had been on a visit to his wife. Mrs. Rihn has been sick in San Antonio for nine weeks under a doctor's treatment. We wish her a speedy recovery.

NOTICE: ST. PAUL'S LUTHERAN CHURCH.

The following list of services will be observed in St. Paul's Lutheran Church during the month of April:

April 13, Palm Sunday—Divine Services in English language.

April 18, Good Friday—Divine Services and Holy Communion in English language.

April 20, Easter Sunday—Divine Services and Holy Communion in German language.

April 27, Sunday Quasimodogenite—Divine Services in English language.

All members are kindly requested to preserve and remember the dates of the various services. Let us prepare our hearts for the manifold blessings that God offers us in His Holy Word, and especially let us prepare the inner man for a worthy celebration and reception of the Holy Sacrament. It is the Lord Himself who invites you to His bountiful table: "This do in remembrance of me."

Beginning with the month of April during the Spring and Summer seasons our Sunday School takes up at 9:00 o'clock A. M. and all other services at 10:00 o'clock A. M.

TWO FOR ONE.

As our readers will note by a reference to the advertising columns of the Anvil Herald this week we have been exceptionally fortunate in making arrangements with TEXAS COMMERCIAL NEWS whereby we are enabled to make the very low rate for a limited number of subscriptions to FLETCHER'S FARMING and TEXAS COMMERCIAL NEWS one year each of \$1.00 for either renewals or new subscribers.

We don't feel as if it is necessary to further introduce FARMING to the people of this section of the state, as most of you have either in the past or are now reading it every month. However, there are possibly some who are not acquainted with TEXAS COMMERCIAL NEWS, even though it has been published weekly now for more than twelve years at Sugar Land, Texas.

It is a weekly magazine of twenty pages or more each issue; devoted to the Commercial, Farm and Industrial great Southwest. It is carefully and well edited and of especial interest to the busy business man, manufacturer, jobber, retailer, lawyer, farmer, banker, broker, etc., who appreciate getting his news while it is news and in a condensed form, making it unnecessary to read column after column of matter to get the desired information.

A year's subscription to FLETCHER'S FARMING and TEXAS COMMERCIAL NEWS will make a better business man of you and the few extra dimes will prove the biggest investment of your career. A sample copy will be mailed you on request. Better though to act now and send us your \$1.00 for both papers for twelve months and not be one of those that wished he had acted promptly.

Make all checks and money orders payable to and address FLETCHER'S FARMING, Hondo, Texas.

FARM LOANS.

The Hondo National Farm Loan Association, H. E. Haass, Secretary-Treasurer, Hondo, Texas, representing 176 borrowers, with \$688,480 borrowed, is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 1/2 per cent interest and 1 per cent 33 year amortization repayment plan. Thirty-three thousand Texas farmers have taken advantage of this system of borrowing over ninety million dollars. Why not you? You may borrow for any purpose provided for in the Act, as a farmer only.

WANTED—FARMS, LANDS AND TOWN PROPERTY.

We have calls for Farms and Ranches, in all sizes; and town houses for sale or rent—from two to six rooms. If you have something that you can offer at a reasonable price get in touch with us and we will sell or rent it for you.

FOR SALE.

The F. L. Durbon place, on the highway in D'Hanis, is for sale cheap and on reasonable terms if desired. Place consists of about four acres of land, 4-room house, outhouses, two good wells, windmill, 1800-gallon galvanized tank, water piped all over place. All fenced into convenient lots with hog and chicken proof fence. For price and further particulars apply to the owner in D'Hanis or to Fletcher Davis, Agent, Hondo, Texas.

SACRIFICE SALE.

100 acres of sandy loam soil, A. M. Pittman Survey, Medina County, 2 miles from Moore, 7 from Devine. Near active oil prospecting. This land is residue of an estate; heirs anxious to settle. Will sell on small cost payment. Write

SEVERE CRAMPING SPELLS,

PAINS IN BACK AND SIDES

"My trouble has been periodic cramping spells," says Mrs. C. C. Draper, of Atlanta, Texas. "For several years these have come on me so bad that I had to quit my work and go to bed. Every month I would stay in bed from one to two days. The pains in my back and sides were awful."

"This went on for several months after I was married until, one time when I was having a bad spell, my husband suggested that I try Cardui. I said I would try it, so he got me a bottle at the store and I began to take it."

"It seemed like I improved from the very first dose. When I had taken one bottle I was very much better. I did not cramp so hard the next month and I ate and slept better. I was not nearly so nervous, either. I thought Cardui was fine, so I continued the treatment until I had taken five bottles, at which time I felt completely well. I had no more

cramping spells at all, and my health was as good as anybody's. I am feeling fine now and I give all the credit to Cardui, for I had been suffering for years before I took it."

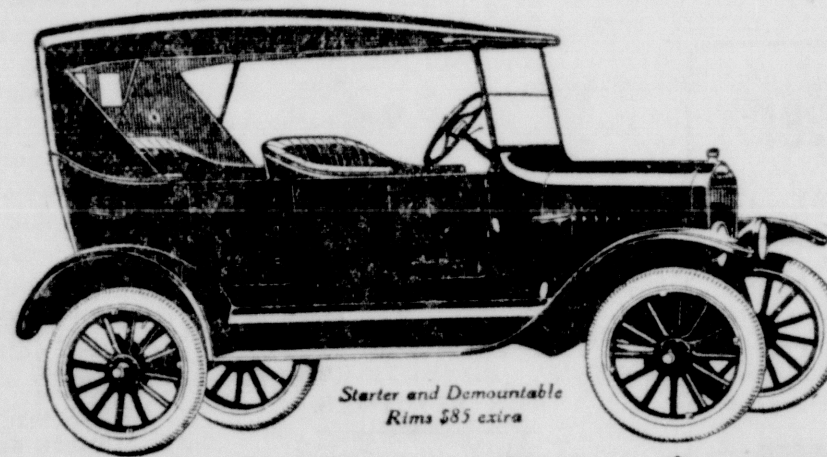

Cardui is a vegetable extract, containing no harmful ingredients. It is made from mild-acting medicinal herbs with a gentle, tonic, strengthening effect upon certain female organs and upon the system in general. Its users have testified to its special value at the time of entering womanhood at maturity and at the time of the change of life.

For over 40 years, Cardui has been tested in use by thousands of women who have written to tell of the great benefit they have received from it. For over 600 years, medical authorities have recommended one of the principal ingredients of Cardui in the treatment of certain female complaints.

Cardui, the woman's tonic, tested by time, is today the product of many years of experience and investigation. It is manufactured in up-to-date laboratories by the most modern and sanitary methods of pharmaceutical science and is for sale by all druggists.

QUIRI NOTES.

Next Sunday morning at 10:30
o'clock English divine service will
be held in Bethlehem Lutheran
church. The introduction of English
services in this church appears to be
timely and profitable.

On Sunday afternoon at 2 o'clock
a lenten service will be held in the
New Fountain Lutheran church. All
are cordially invited to all services
in this church.

April 12th will be Good Friday.
Pursuant to the custom of the day,
divine services will be held and holy
communion celebrated on this day
at Bethlehem Lutheran church at
10:30 o'clock.

The Bethlehem Luther League
will render a very interesting pro-
gram in Bethlehem Lutheran church
on Easter Day night; the participants
on the program will be announced
next week.

Mrs. C. P. Hasskari has been on
the sick list and confined to her bed
the greater part of this and last
week.

At this writing Mr. Fritz Boehle,
who has been confined to his bed
for several weeks, continues to be
an object of general solicitude in
this community.

SEARGEANT, DO YOUR DUTY.

He was on sentry duty for the
first time. An officer approached.
"Halt, who goes there?" he shout-
ed.

"Officer of the day." And he con-
tinued his round. But he
hadn't gone far when the sentry
shouted again, "Halt, who goes
there?"

The officer halted and looked back
furiously.
"What's the idea," he snarled,
"halting me twice like this? What's
the idea?"

"Never you mind about the idea?"
said the sentry. "My orders is to
call 'Halt' three times, and then
shoot."—Tit Bits.

INEXPERIENCED.

Down in Texas the short cotton
crop forced a large number of coun-
try negroes to the cities. One of
them applied for a job at one of
the large employment agencies.

"There's a job at the Eagle Lau-
ndry," said the man behind the desk.
"Want it?"

The applicant shifted uneasily
from one foot to the other.
"Tell you how it is, boss," he said
finally, "I sure does want a job
mighty bad, but the fact is, I ain't
never washed no eagles."

from 10 a. m. to 4 p. m.

ONE WEEK ONLY

They Come Many Miles To See Him.

On above date C. F. Redlich, the
noted rupture appliance expert, will
give a free personal demonstration
on his latest appliances to relieve
ruptures at once and permanently.

Persons with rupture should not
delay, but promptly avail themselves
of this chance, because postponement,
neglect or an illfitting, old style truss
always turns a mild and easily re-
lieved case into a troublesome, even
dangerous one, necessitating surgi-
cal operation.

Large and difficult cases are es-
pecially invited and should come at
once and be convinced of the im-
mediate relief obtained by the use
of these different and superior ap-
pliances.

If you have been suffering personal
discomfort and are unable to work,
do not fail to call. Remember that
demonstration will be free on above
date only and that his appliances are
different and superior to others.

ATTRACTIVE COMMON BRICK HOUSE

THE WINNETKA—DESIGN A-633

A well known architect said recently, "During the war the construction work of the U. S. House

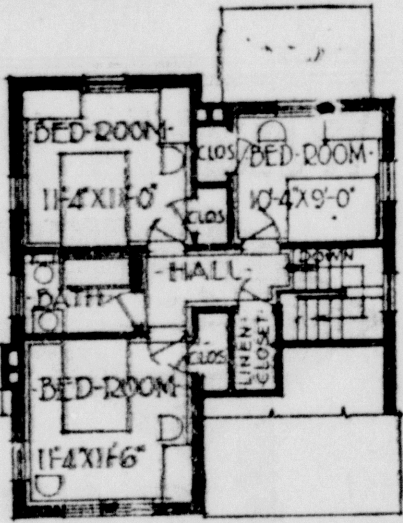

ing Corporation, while naturally concerned mostly with houses, included also all the other types of buildings going to make up the amenities of life in complete communities. Nearly all of these buildings were of permanent construction and the vast majority were brick and practically all the bricks used were common brick. Architects at that time were compelled to design buildings of the materials allotted them, and the common brick indigenous to the locality which they were thus compelled to employ brought to the at-

tention of architects and public alike as never before the vast possibilities for effectiveness of common brick—faced in a proper combination of mortar joints and bonding that make them attractive."

And the Winnetka, illustrated here, is another example of the attractive results that may be secured in a well designed home of average size by the use of common brick. A common brick house is truly a home of economy—economy in first cost, and economy in upkeep costs forever afterward.

The Winnetka is a house of English type, suitable for a comparatively narrow lot. The outside dimensions are twenty-six feet eight inches wide by thirty feet eight inches deep. It contains six rooms attractively arranged.

The Common Brick Manufacturers' Association, Cleveland, Ohio, can furnish complete drawings for this design. Leaflet on brick construction sent upon request.

SWAGGER, SEMI-SPORTS COATS, CAPTIVATE AND SERVE

A LONG came fall, striving to appease us for the passing of summer by bringing with it beautiful new apparel. Its most triumphant and captivating gift appears in swagger, semi-sports coats, that have turned the heads of womankind—young and old.

In casting about for a name for these coats nothing has been uncovered better suited to their character than "semi-sports" coats—which means that they may be worn almost anywhere, either for actual sports or wherever the usual business of the day takes one.

Heavy soft wool cloths of camel's hair, brushed wool or other furry weaves, with predominating colors in quiet tones, are the mediums used for these spirited coats. There are three lengths—short, three-quarter and long,

the middle length being shown in the illustration, and the colors liked best are tan, beige, brown and white with darker or livelier colors introduced in the plaids and stripes. Many of the longer coats have ample fur collars. Border decorations appear on the shorter coats, as in the one shown here. This is a downy, white affair, of brushed wool, with black stripes for borders. Large and very handsome buttons are featured in nearly all semi-sports coats and appear on this model in white and black. The front of the coat and the collar are bound with heavy silk braid.

BURYING THE HATCHET.

Minneapolis and St. Paul are famous rivals. They decided to drop their animosities by getting together at a great dinner according to Forbe's Magazine. A prominent citizen of Minneapolis in a forcible manner eulogized the twin cities and urged that they become a united city.

When he finished, a gentleman from St. Paul arose and stated that there was just one question he wanted to ask, "What shall we name the united city?"

The gentleman from Minneapolis arose and after considerable thinking said, "I would name it Minnehaha—"Minne' for Minneapolis and 'Ha' Ha' for St. Paul." (The Christian Register) (Boston)

HOW HE DID IT.

We have just learned of an engineer who started poor twenty-one years ago, and has retired with the comfortable fortune of fifty thousand dollars. This was acquired thru industry, economy, conscientious effort, indomitable perseverance, and the death of an uncle who left him an estate valued at \$49, 999.50.

BIG DEMAND FOR FORDS.

"The biggest news of the year in automobile circles," R. A. Carter, Ford dealer of Hondo says, "is contained in the following wire just received from Mr. W. W. Mitchell, head of the Advertising Department of the Ford Motor Company."

"Detroit, Michigan, April fifth, retail deliveries of Ford Cars and Trucks in the United States during the month of March reached the record breaking total of two hundred five thousand seven hundred thirty five."

"Nothing in the history of the automobile industry compares with this remarkable record."

"A significant feature was developed during the last ten days of the month when sales averaged ten thousand eight hundred cars and trucks a day indicating that the Spring rush has begun and that under this enormous demand production of the Company will be taxed to the limit in an endeavor to meet the heavy flood of orders."

HIS BOAST.

Lady: "And you say you are an educated man?"

Weary Willie: "Yes, mum, I'm a roads scholar."—University of Michigan Gargoyle.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 75c per bottle.
